Dear Parents,

We're excited to serve your children once again in the **OLS Café** this school year! Lunch orders will continue to be placed through our online system at **christiancatering@ahotlunch.com**.

Returning Parents

Please log in to your account and **update your child's information** before placing any new lunch orders.

New Parents

To set up your account:

1. Visit: <https://christiancatering.ahotlunch.com/login>
2. Sign up for a new account **after August 1**, once you know your child's teacher.
3. Enter the **campus code: OLS** to add your child.

Once your account is active, you may also use the **HotLunch.com iOS App**:

When prompted, enter the domain: **christiancatering**.

If you need help once logged in, click on **Software Support**, located at the bottom left of your dashboard.

Menus & Ordering

- Monthly menus will be posted around the **25th** and remain open for ordering until the **5th** of the following month.
- If your child will be absent, please **cancel their meal online by 8:00 AM** to receive a credit.
- For cancellation instructions, refer to the **FAQs** at the bottom of your homepage.

Help Keep Prices Low

To help us manage operating costs, please place **multi-day or monthly orders** when possible. Each transaction incurs a fee, and limiting single-day orders helps us maintain stable pricing.

Emergency Meals

We've seen an increase in unplanned lunches—especially early in the month—which causes delays and increases costs. Please ensure your child has a lunch ordered if they plan to eat in the cafeteria. If a student arrives without a lunch order, we will, as a courtesy, provide an **emergency meal for \$8.00**, and your account will be charged. This charge must be **paid before any future orders** can be placed.

Please note: we are a cashless system. All orders must be placed online. No cash will be accepted.

The August menu will be available by August 1. Since class assignments are released on August 1, please register and place your child's order after that date.

If you need assistance with the online system, feel free to contact **Pete at 205-516-9913**.

Thank you for allowing us to serve your family. We look forward to a great school year with your children!

Warm regards,

Christian Catering Company
