

ZOGHBY'S UNIFORMS

UPDATE

Zoghby's Uniforms has officially hired a store manager and signed a lease for a new storefront in the **Homewood Commons shopping center**, the same plaza where Dennis Uniform used to be, just down from John Carroll. They'll begin moving inventory into the new space next week and are planning for an **early June opening**.

The store will carry the full selection of uniforms and will allow families to get fitted and purchase items in one trip. With the June opening, there will be plenty of time to take care of uniforms before school starts.

Additional Details from the Uniform Company:

- **June Sale:** All items will be 10% off during the month of June.
- **Layaway Option:** Pay 50% down in June (with the discount), and pick up your order during **Tax-Free Weekend** (typically the third weekend in July) with an additional 10% off the remaining balance.
- **Student Job Opportunities:** They are looking to hire several students to help during the summer. Students interested in applying should email the company directly, and they will be put in touch with the store manager for next steps.

Zoghby's Uniforms is grateful for your patience during this transition and for the support you've shown through online orders. They're excited to begin serving our school community locally starting in June. We look forward to building a strong working relationship with Zoghby Uniforms.
