THE OUR MOTTO

We believe that when you start from a point of positivity, you set the tone for those around you. As leaders for our school community, we want to set the expectation for our students and our families that not only do we expect good results but we expect everybody's best effort along the way.

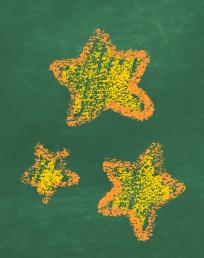

- Fundraising so we can give back.
- Building community through events.

- Nurture a love and sense of pride for OLS.
- 1 Communicate effectively.

Include everybody.
