

Christian Catering Company

August 7, 2023

Dear Parents,

We are excited to begin a new school year. You should have received information on how to register on our new ordering website.

If you have not already registered, please log in at <https://christiancatering.ahotlunch.com/login> and sign up for an account so you can order lunch for your children throughout the upcoming school year. **Do this after August 4th when you find out who your child's teacher will be.** After you activate your account, you will need a campus code to add your children. **Your campus code for the new software is OLS.**

Once registered you can use HotLunch.com's iOS App from <https://itunes.apple.com/us/app/hotlunch-school-software/id1451511654?mt=8>, the domain you need to enter is christiancatering

Changes for this year:

- **Please order by the 10th for the entire month.**
- **There will be no walkup lunches sold or Venmo lunches and no IOU's. (Please do not send your child to school without a lunch ordered).**
- **If there is an emergency and your child needs a meal, we can charge your account for an emergency meal (\$6.00). You must have a registered account for us to do this. If you need an emergency meal, please contact Barbara at 205-790-2053.**
- **We have a new staff this year where English is the second language. We are trying to simplify and streamline the serving process in order to accommodate our staff.**

Thank you for letting us serve you and we look forward to seeing your children next week.

Sincerely,

Christian Catering Company
